*"Thank you to our Ellerslie family for your support and encouragement during our time in the Dominican Republic. Spending time with the boys at the ranch and hearing about where they have come from and seeing where they are today, it is clear that God is doing great things in the lives of these young men. Our extra hands were most welcomed in the La Baliza school. In a school with so many different levels of learning it is challenging for*

*1 teacher. You cannot help but give glory to God when you see boys, who two months ago came from lives that seemed hopeless and full of despair, pray together and praise God. Please continue to pray for Nino's de la Luz and the staff as they work with these boys and disciple them into young men in Christ." Carissa Koroscil, Stephanie McPhail, Alicia Dewbury & Elaine Redekop*

Thank you for your generosity. GLA will be sending a container of relief items to Haiti in March. You are invited to donate items on the list at [www.glacanada.ca](http://www.glacanada.ca). Donations may be brought to the church beginning February 28. Keep posted for more info.
