

Sermon Based Readings

Are you looking to go deeper into the word, while staying in step with the sermon series at Ellerslie? Our Sermon Based Reading plan might be perfect for you.

Each week we upload a set of 5 readings from different categories/genres of scripture. While there is no set formula, there will generally be readings from the Old Testament, New Testament, a Psalm/Proverb, the Gospel, and an epistle (Letter). These readings take the sermon theme and show how that theme and truth is throughout the Bible. It's a great starting point to getting into the word, or to help supplement a sermon-based small group study.

How to find Sermon-based readings

1. To find each week's sermon-based reading, simply head on over to <https://erbc.ca/sermon-series/>, or click the sermon header on the website.
