## **ROMANS 12:2**

Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is – his good, pleasing, and perfect will.

”

# from the pastor

I graduated from high school in the spring of 1999, just months after the release of the movie "The Matrix", which was a cultural phenomenon. Although I usually don't enjoy science-fiction, everyone was talking about this movie, so I decided to go to the theatre with a group of friends and experience the spectacle for myself. Space doesn't permit me to share the plot of the movie, but the main character, Neo, is striving to free humanity from computer slavery and is able to plug himself into a computer and rewire his brain to learn almost anything. In one of the famous lines from the movie, he wakes up from being plugged in and says, "I know Kung Fu."

There have been many times when I've wished life was like that. It would be great to be able to simply plug myself into a computer and instantly know how to build a deck, change the brakes on my car, or be skilled in mixed martial arts, none of which I know how to do today. Unfortunately, life doesn't work that way. While we all have natural talents, we need to work on developing our skills over time, whether we use them for work or for an enjoyable hobby.

Enter the Holy Spirit. When you believe in Jesus and the Holy Spirit enters your life, the Bible says you become a completely new person – the old is gone, and the new has come (2 Corinthians 5:17). It's like being sealed with God's Spirit, transforming you into a child of God forever (Ephesians 1:5; 13). As we live out our lives, we experience the tension between our sinful nature and the Spirit of God (Galatians 5:17).

In this tension, we see the **Transformational Gospel**, which is one of our core values as a church. We witness how lives are radically changed as our hearts and minds are transformed by God. This transformation leads to a change in our characters, and ultimately our relationships and the world are transformed by God. Over the next several weeks, we will be exploring this Transformational Gospel and the freedom it has to offer!

# Board Update

## Psalm 133:1

### How good and pleasant it is when God's people live together in unity!

**Over the past two years**, both the Lead Team and Board have been seeking God's guidance about the future of Ellerslie. Through prayer and discussion, we have discerned that it is time to move forward with a unified style of worship.

**This is a new style** - not Traditions and not Renew, but a blend of traditional hymns, "throw-backs" (songs we have sung for years), and contemporary music.

**This new direction** aims to embrace the richness of the past and the beauty of the present, much like we've been doing throughout the summer and slowly introduced in the spring.

**God has blessed our church**, and we have seen remarkable growth as we have embraced God's vision and recognized who He is calling us to be. We believe that God is calling us to be unified not only in our strategy and values, but in our music. We fully trust that God will use this change for His glory as He calls us to worship together.
